

SALES MANAGER (NL/FR/ENG)

We want to reinforce our team with :

A SALES MANAGER!

Do you want to make the building sector more sustainable? Do you want to help guide towards a truly sustainable environment? Do you want to be part of a winning team?

Your function

- You are responsible for all the acquisitions and sales processes;
- You assess direct leads and official candidacies on a pro-active basis;
- You are responsible for the content and timely delivery of all the offers;
- You aid the team with Account Management;
- You report to Management frequently about the sales process and forecast;
- You contribute to setting up new services for the company;

Your profile

- You want to make an impact in the building sector
- You have experience as a Sales Manager or Sales Assistant
- You have knowledge of the design of sustainable buildings or Master planning
- You are prepared to grow your knowledge exponentially over a short period of time and are open to sharing your own experience and expertise with colleagues
- You possess strong organizational skills, take ownership and can work autonomously
- You have experience in drafting clear and well-structured reports
- You aim to finish tasks within the set time limit
- Professional proficiency in **Dutch, French and English**.

Our offer

- An interesting and varied job, working on the most prestigious and sustainable projects of Belgium (and abroad)
- Flexible hours, with a focus on work/life balance
- An opportunity to shape the business
- Possibility to grow within the team
- Training, intensive exchange of knowledge and experience, ensuring optimal deployment and growth of your skills and competences
- Sustainable practices and transport: We are in the most trendy coworking office in Belgium: Fosbury and Sons right next to the North station
- A salary and bonus system that fits your expertise and mindset
