

## **“Dramatically Reducing Embodied Carbon in Europe’s Built Environment” (DREC)**

### ***Construction in European cities after the revision of the EPBD and CPR***

14 November, 2023 (10h00-11h00 - CEST)

Location: Zoom: <https://us02web.zoom.us/j/89684996282>

#### **The goal of this meeting is to:**

- Present the EU policy landscape impacting the construction sector
- Share the policy advocacy opportunities to present insights, knowledge and policy recommendations gathered during the DREC project on the revisions of the Energy Performance Buildings Directive and the Construction Products Regulations. [Policy recommendations for reference](#).
- Project timeline and foreseeable outcomes in the negotiations of EPBD and CPR and discuss what does it mean for cities

#### **Agenda**

**10:00** – Welcome & Introduction - Irene García, Built Environment Lead, CNCA

**10.05 - 10.35** - Main advocacy outputs during the DREC project - Louise Coffineau, Senior Policy Advisor, Eurocities & Clàudia Fernández, Project & Policy Officer, Eurocities

- Current EU landscape for construction
- EU proposals on EPBD & CPR
- Key policy recommendations and amendments advocated during the project
- Foreseen outcomes
- What it means for cities

**10:35 – 10:55** Discussions with participants

**10.55 - 11.00** Wrap up and next steps - Louise Coffineau, Eurocities & Irene García, CNCA
