

## ESG Consultant

**Do you want to make the building sector more sustainable? Do you want to contribute to the Sustainability framework of large real estate firms? Do you want to help guide them toward a truly sustainable environment?**

### What you'll be doing

- You support companies (mainly developers and real estate funds) in defining their ESG strategy and framework
- You are responsible for evaluating, advising and following up on several certifications like GRESB, GRI, ...
- You help set up Sustainability frameworks for Green Bonds or other financial purposes
- You plan, manage and guide a project team toward the final result, you are the SPOC for our clients

### What you'll bring

- You have a master's degree, preferably economics or business management and a specialization in CSR/ESG/sustainability with at least 2 years of relevant experience
- You have proven experience with GRESB, as well as with the UN SDGs, GRI, EPRA,...
- You have general knowledge of sustainable building standards and certifications (EPB, BREEAM, WELL,) or are willing to learn about them. Having experience in the design of sustainable buildings is a big plus
- You are able to take the lead, have proven experience working with clients, possess strong organizational skills, and can take decisions autonomously
- You are prepared to grow your knowledge exponentially over a short period of time and are open to sharing your own experience and expertise with colleagues
- You have experience in drafting clear and well-structured reports, you aim to finish tasks within the set time limit
- You speak Dutch or/and French. Good knowledge of English is necessary.

### What we offer you

- An interesting and varied job, working on the most prestigious and sustainable projects in Belgium (and abroad)

- A job suited to who you are, and your strengths. Opportunities to learn & grow fast. Fasten your seatbelt. You work closely with an ESG senior consultant and receive extended (in-house) training on hard and soft skills
- An opportunity to be a game changer in the real estate sector. You join a team of purpose-driven people with a focus: having a strong impact on society
- Very flexible working hours, home office, great work-life balance. A 4/5 contract is an option
- A salary that fits your expertise and mindset
- Sustainable practices and transport: we are located in a new, trendy office right next to Brussels North train station, bike leasing, mobility budget,...
